

Idelle V. Sablay

Project / Website Title:

Super Junior

Introduction:

This website is a kind of blog. I have chose to create this king of website for all the other fans of Super Junior and to be able to get more information about them.

Developer:

Name: Idelle V. Sablay

Contact Details: sablayidelle@gmail.com

Facebook: [facebook.com/idellesablay](https://www.facebook.com/idellesablay)

Intended User/ Client:

Fans of Super Junior and other people to want to know more about them

SITE DESIGN:

1. Structure or Site Map

- **Home**
- **About**
- **Gallery**
- **Social Media**
- **Log In**
- Once you are log-in (there are menus: **Super Junior, News, Members, Album, Be an ELF**)
 - **Sign Up**

2. Functional Requirements

- **Search Button** (to search for name in the database)
- **Membership Form**
- **Sign-up**
- **Log-In**

3. . Lists of links, images and other information you use for your website. Make a citation for them for acknowledgement.
